# SCORPIO

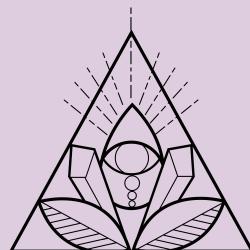

Intensity-Intimacy-Forgiveness

## Mantra: “Life is exciting”

Let this be a time of energy and passion. Find ways to have fun with your friends or partner and harness your sexy, attractive energy to bring joy and good things into your field.

## TIP

Focus on the positive during this time, make a gratitude list and keep yourself smiling. Scorpio can become too focused on negative energy so be sure to keep it light and fun this week!

# FULL MOON

Reflect - Prepare - Give Thanks

The Full Moon comes at the apex of the moon cycle, making it a time to reflect on the beginning of the cycle, and prepare for the finale. Offer thanks for the work that has been completed, review whether or not you're headed in the right direction, and then either change course or prepare for full steam ahead tomorrow.

## TIP

Make a list of all projects or goals that you have in progress. Take a moment to really remember all the steps you've taken towards each goal and why you began in the first place, then, decide what your next steps are and write them out beside each bullet.

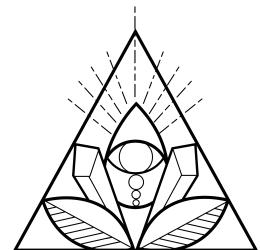

# JOURNAL

The moon in Scorpio asks us to take a look at our love lives and our passions. Ask yourself:

**Could I be bringing even more joy into my life?**

**Am I getting my physical needs filled?**
