LIBra

Balance - Empathy - Beauty

Mantra: “I understand others”

Libras are empathic, balanced, lovers of beauty and style! This week focus on bringing balance between caring for others and indulging in things *you* find beautiful. If this means getting a manicure or visiting nature- do it!

TIP

Seek beauty in everything today. As you drive, pick out beautiful architecture around you. When you're at work, notice the beauty with which your technology has been crafted. Before bed, take time to appreciate anything beautiful you've used to decorate your bedroom.

NEW MOON

Reflect - Prepare - Give

Thanks

The Full Moon comes at the apex of the moon cycle, making it a time to reflect on the beginning of the cycle, and prepare for the finale. Offer thanks for the work that has been completed, review whether or not you're headed in the right direction, and then either change course or prepare for full steam ahead tomorrow.

TIP

Make a list of all projects or goals that you have in progress. Take a moment to really remember all the steps you've taken towards each goal and why you began in the first place, then, decide what your next steps are and write them out beside each bullet.

Journal

The moon in Libra asks us to find beauty in every single day! Try journaling on this prompt:

List all the beautiful things you see every single day. It can be steam rising from a cup of coffee or the face of your lover! Remember to really appreciate that beauty each day!
