AQUARIUS

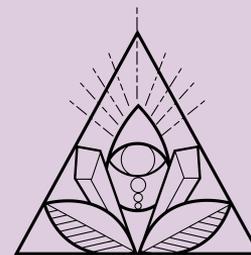

Ideas - Breakthrough - Collaborate

Mantra: “We are one.”

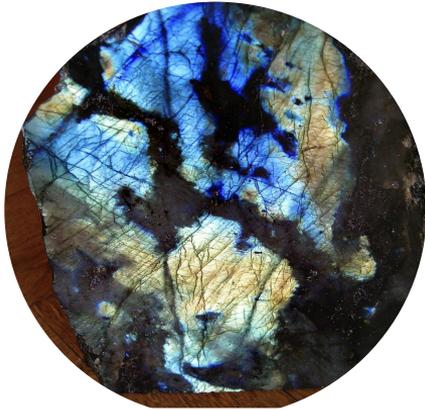

The Aquarian moon is about ideas, group projects, and working for a higher cause. This is a time to set aside ego and contemplate the greater good.

TIP

This is an amazing week to volunteer or work with friends and family on large goals. Practice clear communication in low-stress projects with people you care about.

RECIPE

“Spa Water” is a perfect summer drink, make a large batch and share with friends as you work towards your goals! Experiment with fruit and herb combos to make it your own.

1 gallon water
2 lemons (sliced thin)
1 bunch mint leaves
(bruised)

Combine into pitcher and let sit overnight for flavors to meld.

FULL MOON

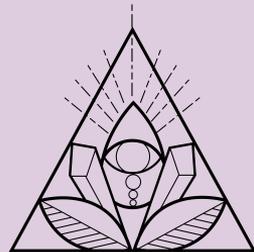

Reflect - Prepare - Give

Thanks

The Full Moon comes at the apex of the moon cycle, making it a time to reflect on the beginning of the cycle, and prepare for the finale. Offer thanks for the work that has been completed, review whether or not you're headed in the right direction, and then either change course or prepare for full steam ahead tomorrow.

TIP

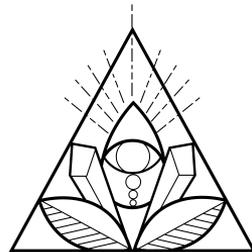

Make a list of all projects or goals that you have in progress. Take a moment to really remember all the steps you've taken towards each goal and why you began in the first place, then, decide what your next steps are and write them out beside each bullet.

Journal

The moon in Aquarius asks us to be selfless, share our ideas, and participate. Try journaling on this prompt:

How can I be of service to others this week?
