# LEO

Courage-Glamour-Passion

Mantra: “I am glamorous”

This Full Moon is all about courage; the courage to be yourself and to do what makes you happy! Allow this moon's energy to help you overcome anything that might be holding you back from following your passions.

## TIP

The Eclipse in Leo will bring powerful change and transformation. The residual energy of last year is being purged, making way for new beginnings. The Eclipse will bring about change for the better, so let go of anything you want to leave behind!

# RECIPE

This simple Orange Tea tastes amazing over ice! Brew it in the fridge by adding twice as much tea to your water and steeping overnight (at least 12 hours). Pour over ice and add some simple syrup if you like it sweet!

1 part rooibos tea leaves

.5 part dried orange peel

Steep half a tablespoon for every 8 oz of water

*Simple Syrup*

*Boil equal parts water and sugar (or honey) just until the sugar is melted, cool, refrigerate for up to 2 weeks.*

# FULL MOON

Reflect - Prepare - Give Thanks

The Full Moon comes at the apex of the moon cycle, making it a time to reflect on the beginning of the cycle, and prepare for the finale. Offer thanks for the work that has been completed, review whether or not you're headed in the right direction, and then either change course or prepare for full steam ahead tomorrow.

## TIP

Make a list of all projects or goals that you have in progress. Take a moment to really remember all the steps you've taken towards each goal and why you began in the first place, then, decide what your next steps are and write them out beside each bullet.

# Journal

The moon in Leo asks us to follow our passions. Think of what you'd like to have or do, and get on the path to making it happen. Ask yourself:

**How can I create my ideal life?**

**What can I do to feel happier *today*?**
