# LEO

Play - Creativity - Passion

Mantra: "Life is Fun!"

Don't take life too seriously during a Leo moon, it's time to enjoy yourself and have fun! Leo's are passionate and creative people so take some time this week to dabble in art or writing. Dress up nice and go out on the town!

## TIP

Go out on a date! Whether it's a friend date, a romantic date, or a personal date- allow yourself to have a good time. Be a little vain, dress the way that makes you feel best, and go show off your wild side!

# RECIPE

This simple Orange Tea tastes amazing over ice! Brew it in the fridge by adding twice as much tea to your water and steeping overnight (at least 12 hours). Pour over ice and add some simple syrup if you like it sweet!

1 part rooibos tea leaves

.5 part dried orange peel

Steep half a tablespoon for every 8 oz of water

*Simple Syrup*

*Boil equal parts water and sugar (or honey) just until the sugar is melted, cool, refrigerate for up to 2 weeks.*

# NEW MOON

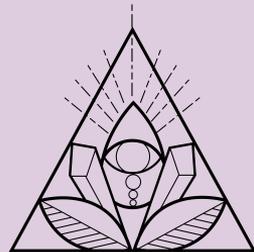

Reflect - Prepare - Give

Thanks

The Full Moon comes at the apex of the moon cycle, making it a time to reflect on the beginning of the cycle, and prepare for the finale. Offer thanks for the work that has been completed, review whether or not you're headed in the right direction, and then either change course or prepare for full steam ahead tomorrow.

## TIP

Make a list of all projects or goals that you have in progress. Take a moment to really remember all the steps you've taken towards each goal and why you began in the first place, then, decide what your next steps are and write them out beside each bullet.

# Journal

The moon in Leo asks us to have fun! Try journaling on this prompt:

**How can I make time for play this week?**
